FOR JAZZ ENSEMBLE

NOTES TO THE CONDUCTOR

Mercy, Mercy, Mercy was written in 1966 by legendary jazz keyboardist and composer Joe Zawinul for the fabulous Cannonball Adderley Quintet. One of the most recognizable melodies in all of jazz, the tune is set in a very soulful jazz style. The tempo is marked at MM=100; however, as your ensemble progresses with the piece, you may wish to take it slightly faster. I suggest not to exceed MM=100, as the unique soulful groove will be lost. Keep it relaxed!

The feel is straight-eighths, not a swing feel. The (optional) guitar comping should be basic quarter notes. Strum from the elbow; giving a bright, swinging sound that propels the rhythm section forward. Don't strum from the wrist or fingers, as playing from the wrist or fingers tends to sound very forced, and also tends to drag instead of propel the rhythm.

For the ensemble, the eighth notes played by the rhythm section are played long and as even eighths—don't rush. Practice with a metronome! The ensemble release in measure 20 should be on beat 3. Clean releases will make your band sound more polished and mature sounding. The ritard at the end should be gradual and not too dramatic.

As in all jazz music, correctly observing all articulations is extremely important for the overall success of the performance. Specifically the articulation and syncopation in measure 9, which is to be articulated long-long-short-long, and so on. The tenutos are full value, the staccatos are short but not clipped or too short, and the *marcato* or rooftop accents are accented and detached—think “daht.”

There are optional parts included for Flute, Clarinet, F Horn, Baritone T.C./Tenor Sax, Tuba, and Vibraphone.

The section at measure 21 features a simple piano solo that is completely written out; however, simple chord symbols are included to encourage some improvisation if desired.

I hope that you and your ensemble find *Mercy, Mercy, Mercy* to be an exciting musical experience!

Enjoy!
