Ave Maria

Anton Bruckner
Arranged by David Marlatt

This is the most popular and often performed setting by Bruckner. When this work was written, he had just finished a five year course of contrapuntal study during which he was forbidden to write any “free” compositions. With this restriction lifted, he wrote this simple yet powerful motet.

A very full and blended sound is what the players should strive for. Have students listen to several vocal recordings to serve as examples of the style and sonority they are striving for.
