Concerto in B-flat *for Two Trumpets and Winds*

Antonio Vivaldi
Arranged by David Marlatt

The most popular double concerto for trumpets, Antonio Vivaldi (1678-1741) wrote this work for two natural trumpets and strings. The music is simple and elegant, utilizing the non-chromatic capabilities of the natural trumpet. Falling arpeggios, half a scale and fanfare figures throughout the work show Vivaldi's skill at taking short simple melodic material and using it throughout a three movement concerto.

The original trumpet parts are unaltered and the remainder of the ensemble perform the string parts. Lightness in articulations and volume should allow the solo trumpet lines to flow above the chordal foundation.

In the band parts, there are several "1 player" indications. Depending on the size of the ensemble, this "thinning out" of the band could be done more or less often to maintain a good balance between the soloists and accompaniment.

The original work is in C major. To allow for performance without the need for piccolo trumpets, this edition has been created. Now this famous piece can be performed on B-flat trumpets.
