Hush

Bill Thomas

Hush is a simple lyrical composition in the style of a lullaby. It was inspired by the thought of that time of night when the lights are finally turned off and the house is quiet.

The modest technical demands required by *Hush* will allow the ensemble to concentrate on the expressive components of their performance. The composition demands careful attention to details of balance from the players, especially when accompanying the numerous short solos, and it presents an excellent opportunity to refine the legato articulation style essential to an effective performance.
