This Old Man Variations

Traditional
Arranged by David Marlatt

THE WORK:

This favorite children's song has been cleverly arranged in some different styles in this easy arrangement for quintet. The melody is first in the trumpets, then a waltz section then finally a Calypso feel. This is fun music that is not too difficult.

Style is everything with these piece. Brilliant fortes are contrasted with smooth lyrical playing. The entire band must breathe together and work together to match articulations, dynamic and style. When one part has the tune, the others must play under that line to allow it to be heard.
