St. Anthony Chorale

Franz Joseph Haydn
Arranged by David Marlatt

This famous melody has been attributed to Haydn but there is doubt whether he was the composer or simply quoted an older theme taken from an unknown source. To date, no other mention of a "St. Anthony Chorale" has been found. Johannes Brahms wrote a famous set of variations based on this melody calling it *Variations on a Theme by Joseph Haydn*.

The music is simple and stately with the melody moving between several parts.
