Nederlands:

Het bekende Bijbelverhaal van de ark van Noach op muziek gezet met de mogelijkheid om een groot theaterspektakel neer te zetten!

Deel 1: Building the Ark / The Animals

Creëer een timmermanswerkplaats waar sommige muzikanten met hout sjouwen en anderen aan het zagen en timmeren zijn. Door knuffelbeesten op een ladder te bevestigen 'lopen' die zo de ark binnen.

Deel 2: The Great Flood

In de eerste maat ontstaan regen, onweer en bliksem. Met speciale lichteffecten kan dit deel nog spannender en realistischer gemaakt worden.

Deel 3: The Rainbow

Bevestig een kartonnen duif met een olijfblad in zijn snavel aan een stok en laat hem zo 'rondvliegen'. Schilder op een laken een regenboog en laat die in maat 15 tevoorschijn komen.

PS: Uiteraard kan er ook met filmbeelden of een PowerPoint presentatie gewerkt worden!

Veel succes gewenst!

English:

The famous Bible story of Noah's Ark, put to music with the opportunity of staging a huge theatre spectacle!

Part 1: Building The Ark / The Animals

Create a wood shop where some musicians sweat their guts out carrying wood and others are busy sawing and carpentering. By attaching stuffed animal toys to a ladder, they 'walk' right into the Ark.

Part 2: The Great Flood

In the first bar rain, thunder and lightning are created. This part can be enhanced even more by adding special light effects to make it even more exciting and realistic.

Part 3: The Rainbow

Attach a wooden pigeon with an olive leaf in its beak to the end of a stick and make it 'fly'. Paint a rainbow on a bed sheet and have it appear in bar 15.

PS: Of course one can add film footage or a PowerPoint presentation as well!

Good luck!
