PROGRAM NOTES

One of the biggest hits of 2015 was this funky offering from Mark Ronson and Bruno Mars. The tune was #1 on the *Billboard* Hot 100 for an astounding fourteen weeks.

NOTES TO THE CONDUCTOR

Be sure to observe the numerous articulations, especially on the eighth notes, as they help define the musical style, as well as improving ensemble clarity. All unmarked quarter notes should be played full-value.

In addition to the standard percussion parts, there is also an optional written easy drumset part that could provide some opportunity for improvisation with a strong drumset player. Should you choose that option, in order to engage your entire percussion section, you could double the percussion 2 tom-tom part and add shaker and/or cabasa to the percussion 3 part.

For a more authentic performance, you could also consider doubling the tuba part on electric bass.

I hope you and your ensemble find *Uptown Funk* to be a fun and worthwhile experience!
