Three – Two – One – BLAST OFF!

Rock the moon with your band on their next performance. The percussion section is featured, and even helps to provide a "lift-off" for the moon launch. Great fun for everyone, this novelty rock piece has a tune your audience will be singing long after the concert. With one-part writing for clarinet, alto saxophone, and trumpet, and clarinets staying under the break, this is easily playable in the first year of instruction.
