PROGRAM NOTES

"For the night is God's cathedral" and the stars visit in "dreams of fireflies." Look to the fabulous Trans-Siberian Orchestra for a bit of musical holiday spice.

NOTES TO THE CONDUCTOR

Optional parts for electric violin and electric guitar will afford a more authentic performance. The electric guitar solos are included for the alto saxophone in measures 17 and 53. If the alto saxophone performs them, it should be with an aggressive, almost raucous tone. Listening to the recording of the official TSO version is advised to give the soloist a better idea of the desired timbre, or if electric guitar is chosen, listening will assist with distortion choices. Similarly, the percussion 1 part is intended for a drumset player. Although it can be performed by separating the part on concert instruments, you may choose to let your drumset player ad lib in the style of the original work.

The popularity of the amazing Trans-Siberian Orchestra live performances continues to grow. It is recommended that during the course of preparation you encourage your students visit any of the variety of videos online, or even a live performance if possible.

Best wishes for a joyous holiday concert!
