Program Notes

Sousa wrote this march in 1886 to commemorate The Third Infantry, known as "The Old Guard." It is unusual in that it has a long twenty-four measure introduction that is incorporated into the first strain. The first repeat goes back to the beginning.

The original *The Rifle Regiment March* is in the keys of D \flat and G \flat . This arrangement is a third lower in B \flat and E \flat . The lower range makes this great march accessible for many more bands.

As in all Sousa marches maintain a solid tempo with proper regard to dynamic changes and articulation. Balance between all countermelodies is essential.

The Carl Fischer Performance Series for Band has five performance levels to provide you with a highly focused repertoire for your band. Each level has been carefully designed and graded, within specific guidelines, so that each piece in a level will work with your band when it achieves that level. Each level is also color coded for ease in finding the series that will be appropriate for your band, as it develops.

Within each grade level, you will find selections in a variety of styles and genres designed to meet all of your performance and teaching needs. The Carl Fischer composers and arrangers are some of the most respected writers in the business. Their music is dynamic, fresh and eminently worthy of your attention.
