## About the Composition

*With Visions of Tomorrow* is an homage to the human spirit and its desire to learn, achieve more, and to work towards improving our societies. It also symbolizes hope for a prosperous and peaceful future. Each day mankind realizes amazing technological breakthroughs and new wonders of science, arts and industry.

Imagine a world without cancer, a city underwater, or a colony on the moon. From the age of the pyramids to the online and computer revolution, our society continues to evolve as we constantly challenge ourselves to progress and understand more. Commissioned by the St. Marys Band Parents Organization for the opening of St. Marys Memorial High School/St. Marys Middle School, *With Visions of Tomorrow* is a salute to some of these superhuman feats.

A bold fanfare is followed by a section of reflection and preparation before the journey into a new era. The third and main theme reflects the excitement, anticipation and pioneering spirit of forging ahead. The music transitions into a reverent theme of thanksgiving and optimism, foreshadowed earlier, and now in a formal chorale-like setting. Short developments draw the section back to familiar material and the theme of energy and vitality. The stately fanfare soon returns and culminates with a maestoso ending promising a magnificent and abounding future.

## About the Composer

The Carl Fischer Performance Series for Band has five performance levels to provide you with a highly focused repertoire for your band. Each level has been carefully designed and graded, within specific guidelines, so that each piece in a level will work with your band when it achieves that level. Each level is also color coded for ease in finding the series that will be appropriate for your band, as it develops.

Within each grade level, you will find selections in a variety of styles and genres designed to meet all of your performance and teaching needs. The Carl Fischer composers and arrangers are some of the most respected writers in the business. Their music is dynamic, fresh and eminently worthy of your attention.

## Concert Band

- Expanded instrumentation to 2 Flute, 3 Clarinet, 3 Trumpet, 2 Horn and 2 Trombone parts
- Expanded use of rhythms, ranges, keys, but technical demands are still carefully considered
- Generous cross cueing of exposed or solo parts
- Expanded percussion writing, within reason, for maturing students
- Careful selection of keys and degree of difficulty for advancing musicians
