FLEX-7

Ofte er det vanskelig å finne musikk som fungerer for mindre besetninger, eller er såpass fyllig arrangert at det klinger godt. Vi vet at besetningene i korps kan variere mye. Derfor er denne serien virkelig gjort fleksibel. Har du 7 utøvere som kan dekke stemmene 1-7 i partituret, pluss en slagverker, er du sikret at stykkene fungerer. "Super part" er stemmer beregnet for de yngre musikantene.

Its often difficult to find music that really works for small ensembles, or are arranged in a way that they sound rich. We know that instrumentation in band can vary a lot. That's why this series is done really flexible. If you have 7 players that covers part 1-7 in the score, and a drummer, you can be sure that the pieces sounds good. The "Super parts" are designed for the youngest musicians.

Es ist oft schwierig, funktionale gutklingende Musik für kleinere Besetzungen zu finden. In den verschiedenen Blesorchestern variieren die Besetzungen. Deswegen haben wir diese Serie sehr flexibel gemacht. Wenn man 7 Musikanten hat und ein Schlagzeuger kann man sicher sein, das die Werke gut klingen. Und doch ist es wichtig das man die Guide für Instrumentierung folgt. (Die Basic Instrumentierung der Flex7-Serie) „Super parts“ sind Stimmen für anfänger.

Basic instrumentation in Flex 7

Septet Series (7 Flexible parts + Perc.) All transpositions for listed instruments are included.
