THE SEVEN WONDERS OF THE ANCIENT WORLD

Symphonie nr. 1 - Alex Poelman

In de Oudheid werden de zeven toonaangevende mooiste monumenten "De Zeven Wereldwonderen" genoemd. In zijn eerste symfonie "The Seven Wonders of the Ancient World" schildert de Nederlandse componist Alex Poelman een muzikaal portret van deze zeven "wonderen". De symfonie is magistraal en rijkelijk geconcreet en beeldt zowel de kracht die de grote rijken van de Oudheid uitspraken als de pracht van de mooiste gebouwen en kunstwerken uit, terwijl de verleidelijke Oosterse charme en de geheimzinnige exotische sfeer evenmin ontbreken.

Alex Poelman (Arnhem, 1981) studeerde informatica aan de Universiteit Twente en speelt hoor in diverse harmonieorkesten. Onder begeleiding van David Rowland schreef hij zijn eerste compositie voor harmonieorkest "Volcano". Na zijn eerste werk voor harmonieorkest volgden: "Theseus", "Symphony 1: The Seven Wonders of the Ancient World", "D-Day" en "Aquila Chrysetos". Op 28 mei 2004 ging zijn 1ste symfonie in première in het muziekcentrum van Enschede. Een jaar later werd deze symfonie door de KMKJWF (Koninklijke Militaire Kapel Johan Willem Friso) onder de leiding van Norbert Nozy op CD gezet.

I. DE TEMPEL VAN ARTEMIS
De Griekse godin Artemis, dochter van Zeus en Leto en tweeling zus van Apollo was de Godin van de Jacht en werd vooral in Arcadië vereerd. In de stad Ephese, een Ionische kolonie in Klein Azië, bouwde men een prachtige tempel ter ere van Artemis, die in 356 v. Chr. door Herostatos in brand werd gestoken en later opnieuw heropgebouwd.

II. DE PYRAMIDE VAN CHEOPS
Cheops, de tweede farao van de vierde dynastie van het Oude Egypte (3de eeuw v.Chr.) liet de grote piramide van Gizeh op de linker oever van de Nijl bouwen. De technische volmaaktheid en de reusachtige afmetingen van dit prachtige bouwwerk, dat 137 m hoog is, werden nooit geteisterd. Het is het enig van "Zeven Wunderen" dat nu nog intact bewaard gebleven is.

III. HET BEELD VAN ZEUS TE OLYMPIA
Zeus, zoon van Kronos en Rhea, was de oppergod van het Oude Griekenland. De god van de vader van goden en van de mensen". Hij was de God van het hemellichaam, die ook de fysieke fenomenen beheerde. In de Griekse stad Olympia, bakermat van de Olympische Spelen, stond een prachtig beeld van Zeus Olympos dat rond 433 v.Chr. door de grote Athense beeldhouwer (ca 490 - ca 430 v.Chr.) gecreëerd werd. Het werd als het mooiste beeld uit de Griekse Oudheid beschouwd.

IV. HET PRAALGRAF VAN MAUSOLEOS TE HALICARNASSOS
Halicarnassos (het huidige Bodrum in Turkije) was de hoofdstad van Klein Azië; toen koning Mausolos overleed, liet zijn vrouw Artemisia een reusachtig grafmonument (Mausoleum) voor haar overleden echtgenoot opbreken.

F.

THE SEVEN WONDERS OF THE ANCIENT WORLD LES SEPT MERVEILLES DU MONDE

Symphonie Nr. 1 - Alex Poelman

Dans l'Antiquité on qualifiait les sept plus beaux monuments du monde de "Les Sept merveilles du Monde". Dans sa première symphonie "The Seven Wonders of the Ancient World" (les sept merveilles du monde antique) le jeune compositeur néerlandais Alex Poelman esquisse un portrait musical de ces sept splendides réalisations humaines de nos jours à une exception près. La symphonie est remarquable par son équilibre, son équilibre orchester et dépient aussi bien la puissance des grands souverains de l'Antiquité que la splendeur des sculptures brillantes et œuvres d'art du monde ancien. On y trouve également le charme oriental séduisant et l'atmosphère exquise mystérieuse des sites.

Alex Poelman (Arnhem, 1981) a étudié l'informatique à l'Université de Twente et il joue le cor d'harmonie dans plusieurs sociétés d'amateurs. Il a écrit sa première composition pour orchestre à vents « Volcano » avec l'aide de David Rowland. Cette composition a été suivie de « Theseus », Symphonie nr. 1 « Les Sept Merveilles du Monde », « D-Day » et « Aquila Chrysetos ». Sa première symphonie a été créée le 28 mai 2004 à Enschede. Un an plus tard, elle a été enregistrée sur CD par le nouvel orchestre militaire KMKJWF sous la direction de Norbert Nozy.

I. LE TEMPLE D'ARTÉMIS A ÉPHÈSE
Chèope, le second pharaon de la IV^e Dynastie de l'Egypte ancienne (3ème siècle avant J.-C.), a commencé à construire le temple d'Artémis à Éphèse, une ville située au bord de la mer Égée. Le temple fut terminé par son fils, Héraclès, qui a également contribué à la construction du temple. Le temple fut détruit par un tremblement de terre en 170 ap. J.-C. et reconstruit ultérieurement.

II. LA PYRAMIDE DE CHEOPS
Chèope, le second pharaon de la IV^e Dynastie de l'Egypte ancienne (3ème siècle avant J.-C.), a commencé à construire la pyramide de Cheops sur la rive gauche du Nil. La perfection technique et les dimensions gigantesques de la pyramide sont impressionnantes. La pyramide est considérée comme l'un des七大奇迹之一.

III. LA STATUE DE ZEUS OLIMPNIEN
Zeus, fils de Cronos et Rhea, était le dieu suprême du panthéon grec et selon nombre de mythes, il était également le dieu le plus puissant. Il régna sur l'Olympe et gouverna les phénomènes physiques. Dans la ville d'Olympie, il y avait une grande statue de Zeus Olympien, sculptée vers 432 av. J.-C. par le grand sculpteur athénien Phidias. La statue était considérée comme la plus belle sculpture de la Grèce antique.

IV. LE TOMBÉAU DE MAUSOLE (MAUSOLEE) A HALICARNASSE
Halicarnassus (la ville actuelle de Bodrum en Turquie) était la capitale de l'Asie Mineure. A la mort du roi Mausole en 355 av. J.-C., il a été enterré dans un tombeau magnifique qu'il avait fait construire pour son défunt mari.

E.

THE SEVEN WONDERS OF THE ANCIENT WORLD

Symphony nr.1 – Alex Poelman

In the Ancient World the seven most beautiful monuments were called "The seven Wonders of the World". In his Symphony nr.1, The Seven Wonders of the Ancient World" the young Dutch composer Alex Poelman has made a musical portrait of these splendid human realizations which are now, but for one, all destroyed. The symphony is masterly and lavishly orchestrated and portrays both the power of the sovereigns of ancient times and the splendour of the most beautiful buildings and works of art they have had built. Moreover, neither the seducing East nor the charms of the West are missing.

Alex Poelman (Arnhem, 1981) studied informatics at the Twente University and plays French horn in several top amateur bands. Under the guidance of David Rowland he wrote his first composition for wind band "Volcano". This was followed by "Theseus", "Symphony nr. 1 "The Seven Wonders of the Ancient World", "D-Day" and "Aquila Chrysaetos". This symphony was premiered on 28 May 2004 at Enschede. One year later, it was recorded on CD by the new Dutch military band KMKWF conducted by Norbert Nozy.

I. THE TEMPLE OF ARTEMIS:

The Greek goddess Artemis, daughter of Zeus and Leto and twin sister of Apollo, was the goddess of the hunt and was especially worshipped in Arcadia. In the town of Ephesus, an Ionic colony in Asia Minor, a splendid temple was built in honour of Artemis which was destroyed in 356 B.C. when Herodotus set fire to it. Some years later it was reconstructed.

II. THE GREAT PYRAMID OF CHEOPS:

Cheops, the second pharaoh of the 4th Dynasty of Ancient Egypt (3rd century B.C.) had the big pyramid built at Gizeh on the left bank of the Nile, next to Cairo. The technical perfection and the huge dimensions of this magnificent 137 m high building were never equalled. It is the only one of the Seven Wonders of the Ancient World that was not destroyed and is kept undamaged up to this day.

III. THE STATUE OF ZEUS:

Zeus, son of Chronos and Rhea, was the leading god of the Greek pantheon and, according to Homer "the father of all gods and all humans". He was the god of the celestial light and controlled all natural phenomena. In the Greek town of Olympia, birthplace of the Olympic Games, there was a splendid statue representing the Olympic Zeus. It had been sculptured about 433 B.C. by the great Athenian sculptor Phidias (ca 490 – ca 430 B.C.) and was considered as the nicest statue of the ancient Greek world.

IV. THE MAUSOLEUM AT HALICARNASSOS:

Halicarnassos (the small Bodrum in Turkey) was at one time the capital of Asia Minor. When king Mausolos died in 353 B.C., his wife and sister Artemisia ordered to build a huge funeral monument (Mausoleum) for her deceased husband. It gave its name to all large funeral monuments in the world.

D.

THE SEVEN WONDERS OF THE ANCIENT WORLD

Die SIEBEN WELTWUNDER

Symphony Nr.1 – Alex Poelman

Im Klassischen Altertum wurden die sieben schönsten Denkmäler „Die sieben Weltwunder“ genannt. In seiner ersten Sinfonie für Sinfonisches Blasorchester „The Seven Wonders of the Ancient World“ schildert der junge niederländische Komponist Alex Poelman ein musikalisches Porträt von diesen sieben prächtigen menschlichen Realisierungen die alle, bis auf eine, zerstört wurden und verschwunden sind. Alex Poelman (Arnhem, 1981) studierte Informatik an der Universität von Twente und spielt Waldhorn in verschiedenen Amateurbands. Unter der Leitung von David Rowland schrieb er seine erste Komposition "Volcano". Nachher folgten "Theseus", "Aquila Chrysaetos", "The Seven Wonders of the Ancient World", "D-Day" und "Aquila Chrysaetos". Am 28. Mai 2004 wurde diese Sinfonie in Enschede uraufgeführt. Ein Jahr später, wurde sie vom neuen niederländischen Militärsinfonieorchester KMKWF unter der Leitung von Norbert Nozy, auf CD eingespielt. Die Sinfonie ist meisterhaft und ganz farbenreich orchestriert und bildet nicht nur die große Macht der Herrscher der Antike aus, sondern auch die Pracht der schönen Gebäude und Kunstwerke dieser Epoche. Ebenso wenig fehlen die verfühlende orientalische Charme und die geheimnisvolle exotische Atmosphäre.

I. DER TEMPEL VON ARTEMIS:

Die griechische Göttin Artemis, Tochter von Zeus und Leto und Zwillingsschwester Apollos, war die Göttin der Jagd und wurde vor allem in Arkadien verehrt. In der Stadt Ephesus, einer ionischen Kolonie in Kleinasien, baute man den prächtigen Tempel der Artemis zu Ehren. Dieser wurde 356 vor Christo von Herodotus durch das Feuer zerstört aber wieder aufgebaut.

II. DIE PYRAMIDE VON CHEOPS:

Cheops, der zweite Pharao der vierten Dynastie des antiken Ägyptens (im dritten Jahrhundert v. Chr.) ließ die große Pyramide in Gizeh auf dem linken Ufer des Nils in der Nähe von Kairo, bauen. Die technische Perfektion und die Größe dieses prächtigen Bauwerkes mit einer Höhe von 137 Meter wurde niemals übertroffen. Es ist das einzige Wunder der Welt, das zerstört wurde und heute noch unbeschädigt erhalten wird.

III. DAS BILD VON ZEUS VON OLYMPIA:

Zeus, der Sohn von Kronos und Rhea, war der Hauptgott des griechischen Pantheons. Er war der Gott des Himmels, der Erde und aller Menschen. Er war der Gott des himmlichen Lichtes, sowie aller Gewitter. Olympias Heimat der Olympischen Spiele, stand ein prächtiges Bild von Zeus. Der Statue, die von dem berühmten Bildhauer Phidias (ca 490 – ca 430 vor Christo) geschaffen wurde, wurde als das schönste Bild der Antike angesehen.

IV. DAS GRABMAL VON MAUSOLOS ZU HALICARNASSOS:

Halicarnassos (das gegenwärtige Bodrum in der Türkei) war die Hauptstadt von Lykien. Wenn König Mausolos 353 vor Christo verstarb ließ seine Ehefrau und Schwiegertochter ein großes Grabmal (Mausoleum) für ihn errichten.
