Program Notes

Rockin' Jingle Bells is a very easy arrangement of *Jingle Bells* with a simple, basic rock beat. The rock feel is given entirely to the percussion. The winds play the melody with very few changes from the original carol. The eight-measure drum break beginning at m. 43 may be simplified or elaborated upon at the discretion of the director depending on the skill level of the players. The timpani part is optional; however, if timpani are used, a few optional notes are given beginning at m. 57 to help with the final cadence.

Thank you for choosing this composition. I trust you and your students find it enjoyable, challenging and instructive.

About the Arranger

Joseph Compello, a native of Carbondale, Pennsylvania, holds degrees in music education from the Peabody Conservatory and Towson University. During his 31 year career as an instrumental music teacher in Maryland, he wrote numerous compositions for his students. In 1994, Carl Fischer began publishing many of these classroom-tested pieces including his debut publication *Cadets on Parade*, and the 1996 best-seller *Rock to the Max, Mr. Sax*. Compello's journey from school teacher to internationally published composer was recently chronicled in the Baltimore Sun. His music is now performed worldwide in venues ranging from school concerts to Carnegie Hall. Now retired from teaching with over 100 published works to his credit, Compello continues to draw on his extensive background in music education to compose new music exclusively for Carl Fischer's Performance Series.
